Mr. Longo,

We are writing in response to your recent emails to the Crown Attorney's Office.

Please be advised that you currently have no active or pending matters before the court, and your previous matters have been concluded. As such, there is no further involvement from our office at this time.

We also wish to clarify that the Crown Attorney's Office does not investigate criminal offences. Investigations are conducted solely by the Windsor Police Service or other law enforcement agencies. If you have concerns or information related to a potential criminal matter, we encourage you to contact the appropriate police service directly.

Given that there is no ongoing legal matter and our office is not the appropriate agency for the concerns you've raised, we will not be responding to any future emails on this subject.

We appreciate your understanding.

Windsor Crown Attorney's Office
